## TIME HAS COME TODAY

By Timothy G. Beckley

Beginning when I was in grade school, I have always had an interest in time travel. Traveling thorough space and time probably excited me more than blasting off into outer space, although that concept wasn't far behind I have to admit.

I can remember being at an outdoor rock festival on an island off the coast of Louisiana in the late 1960s and hearing the Chambers Brothers sing their hit tune, "Time Has Come Today." It was one of the favorite catchy tunes of the psychedelic era. There was no doubt about that as everyone was getting high around me smoking grass. There is a short version and a longer 14 minute version of the song on *YouTube*. There were, as I recall, four actual Chambers Brothers who made up the band and one of the fellows, Lester Chambers, is currently putting together an album so that once again we can, indeed, proclaim Lester Chambers' time has come today.

Science fiction has long adopted time travel as part of the genre whether it be the subject of a book, or an action filled, block buster, motion picture.

Time Travel has always been a favorite subject with us. We have released numerous original titles such as *Time Travel Fact Not Fiction*, *Plans For Time Travel Machines That Really Work*, and *Time Travel: A How To Insiders Guide*.

Most recently we have expanded upon these concepts with the release of the very speculative *Nazi UFO Time Travelers*, provoking the concept that Hitler's Henchmen were at least partially responsible for developing a "wonder weapon" in the early 1940 which could have possibly won them the

war and might have actually been responsible for allowing the German's to set up a colony on the far side of the moon. And while we don't wish any of our readers to become alarmed we are pretty much convinced that this device known as the Die Glocke is still around today, having been responsible for at least some of the UFO activity in the heavens.

Early signs show that *Nazi UFO Time Travelers* will be one of our most successful title of recent vintage. But not to be out done our favorite psychic and shaman, Maria D' Andrea pulls out all the stops, proclaiming in *Traveling The Waves Of Time: Contacting Beneficial Beings* (see page 12) that we can do a bit of time traveling of our very own, once we learn how to slip the "surly bonds" of Earth aside.

This is an issue we are most proud of. Hopefully its provocative content will provoke you into spending a little time going through this issue and enlarging your library by at least a book or two.

This is a dangerous book because it calls into question some of the root assumptions which we Westerners have held for centuries about the nature of human existence.

Calling these assumptions into question isn't dangerous in itself, but when a lot of people do so, the underpinnings of any artificially erected social arrangement are seriously compromised. The way society is organized today those who presently benefit the most from the existing structures are those who are least likely to make the changes which need to be made. The ideas in this book are dangerous because they empower individuals to seek the truth for themselves.—**\$16.00**

# DIRE PREDICTIONS FROM UFO BEINGS WARN OF IMPENDING GLOBAL DISASTERS

## WILL YOU BE ALIVE IN 2021?

For half a century Warminster, England on Salisbury Plain near Stonehenge has been the UK's "Ground Zero," for an odd assortment of unexplainable phenomena including:

★ Disturbing sounds that fill the air with a thunderous roar, shake roof tiles and pin citizens to the ground with tremendous force. - ★ The unexplained death of small animals and birds which drop from cloudless skies into the laps of those passing by. - ★ Strange solid-looking craft that materialize in plain view of confused observers, ultimately streaking across the sky at rip roaring speeds. -

★ Objects disappearing in the blink of an eye including food baskets, eyeglasses, keys, cameras and jewelry. Most of which ultimately show up in mysterious fashion. - ★ Time distortions, watches stopping for no technical reason, as well as the appearance of Giants who roam the outskirts of the town, near popular UFO landing spots. - ★ The appearance of Crop Circles years before they were reported elsewhere.

**FOR 50 YEARS "THE THING" MESMERIZED AND OPENED THE MINDS OF THOUSANDS WHO CAME TO SEE FOR THEMSELVES THIS POWERFUL FORCE FROM OFF WORLD**

Arthur Shuttlewood began his career as a bipartisan journalist for the local news, but after dozens of sightings of his own could only conclude: *"There is ample evidence that Warminster is a 'window' area to another plane of existence - or perhaps there are unique 'properties' here that serve as some sort of landing beacon to some far off intelligent life form."*

Here is the complete text of **UFO PROPHECY**, the rare out of print book by Arthur Shuttlewood which included many striking revelations for those concerned about their well being and approaching changes on our earthly landscape. Revelations which are as insightful today as when original published. This vitally NEW edition includes: An update on the many "coincidental" events involving flying dragons, the men in black and the Nessie lake "monster. There are also previously unpublished photos of unexplainable aerial craft, a review of the most sensationalistic findings, and how the town "celebrates" its link to the stars, We are additionally proud to present an introduction by the Granddaughter of Mr Shuttlewood who says her granddad *"would be honored to be remembered for his UFO interest and writings years on."*

# PROJECT ALIEN MIND CONTROL

**The New UFO Terror Tactic — A Threat To Humans Worldwide!**

---

What do you do when the power blackouts keep occurring, and the mysterious disappearances and outright kidnappings continue to mount?

What do you do when you hear an internal buzzing, as your body begins to shake and you go into a deep trance, unable to remember what occurred when you are allowed to return to reality a changed individual?

According to a small group of astute researchers. The Ultra-Terrestrials will not be destroying our world with laser weapons like in Independence Day. Instead, evidence indicates they want to capture our souls as well as our minds in order to accomplish their astronomic “foul deeds.” They have no need to blow our fastest military aircraft out of the sky. Their best weapons are not futuristic military ones. Instead, their top-grade artillery against humanity is a numbing form of “high tech alien mind control.” Utilizing a series of bizarre techniques, they are able to trick us into accepting their unorthodox and utterly evil belief systems through hallucinatory effects and establishing an emotionless reaction to their far from charitable presence on earth.

Project Alien Mind Control is well under way, and thousands of individuals and entire towns are being mentally enslaved! It is important for the well being of the planet that we all join the alien resistance and learn to elude their mind control efforts at all costs.

This is one of the strangest - most dramatic - dossiers you will likely ever read - the kind that is stamped “Top Secret” by military authorities because of “national security,” and because they know it will have a devastatingly negative effect on society . Many believe that as long as we are in the “Matrix,” that we will be unable to avoid their sinister, self serving, mind games.

**NORDIC LOOKING ALIENS  
GIVE HITLER PLANS FOR  
A TIME TRAVEL DEVICE!**

**THIS IS BY FAR THE MOST SHOCKING  
AND POTENTIALLY TROUBLING BOOK WE  
HAVE EVER PUBLISHED.**

**IT COULD VERY WELL CHANGE THE FUTURE—  
AND THE TRUTH IS—IT MIGHT HAVE ALREADY!**

Here is disturbing evidence that Hitler had a top secret brigade of Nazi engineers working in deep underground laboratories – in conjunction with off world interstellar cosmonauts – to establish space flight and time travel, years before the start of America’s rocketry program in which the U.S. sought the help of thousands of Nazi war criminals bought into this country under the auspices of the tight lipped Project Paperclip. Information recently obtained by the authors indicates that the UFO that crashed outside Roswell might have been part of this Nazi space/time travel program cleverly covered up by our military in order to look like the arrival of an out of control interplanetary vehicle. The top brass was ultimately looking to cover their tracks which showed that they were inappropriately working in tandem with war criminals, whom they had excused of all evil misdeeds, eventually giving them citizenship. This “wonder weapon” and time travel device was named Die Glocke or “The Bell,” and it is probably being seen and flown to this day; some even manned by Aryan- looking occupants (possibly Ets).

Devices like “The Bell” may have been used to bend both space and time and give the Nazis the unthinkable power to explore the past freely and even to CONTROL THE FUTURE. Are we plummeting headlong toward a world under fascist domination – a nightmare in which sadistic, jackbooted thugs are waiting for us to “catch up” in time with our own predestined subjugation to open worldwide rule by the Nazis, possibly hiding out on the

surface of the moon or at “secret cities” at the Poles? Do they lie in wait for us as the clock on our freedom runs down?

In This New, Updated Edition, Based on The Philadelphia Experiment Chronicles, the Story of a Highly Classified - ABOVE TOP SECRET - Project Conducted By The U.S. Navy, Can Now Be Told! According to survivor accounts, the Philadelphia Experiment involved the teleportation of the U.S.S. Eldridge a mega-ton Destroyer Escort from its dry dock in the Philadelphia Naval Yard to Norfolk, Virginia - a distance of around 400 miles. During at least part of the time, the Eldridge was “missing” from the City of Brotherly Love, the destroyer was said to have been transported into another dimension. Upon its return, most of the vessel’s hand-picked test crew - all of whom had been left totally unprepared and unprotected - either “caught on fire,” became literally frozen into the hull of the ship, went stark, raving mad, or vanished, never to be seen again. Much has been written on the subject, but this is the only account as told by the retired intelligence operative Commander X who reveals the story of Dr. M.K. Jessup who discovered the incredible truth about the Philadelphia Experiment. Commander X also reveals the story of Alfred Bielek, who claimed to be one of only two survivors of the unholy experiments that breached the very fabric of time and space. ## CRYPTID CORNER

### “Monsters” And Incredible Creatures From The Back Woods, Other Realms And Far Flung Dimensions

**CRYPTOZOLOGY** – is the search for creatures whose existence has not been proven due to lack of evidence. Cryptozoologists refer to the animals they study as cryptids. This includes living examples of creatures that are otherwise considered extinct, such as dinosaurs; animals whose existence lacks physical evidence but which appear in folklore, such as Bigfoot and chupacabras and wild animals dramatically outside their normal geographic ranges, such as phantom cats and the increasingly popular Dogmen now having been seen in over 20 states.

#### **NEWLY EXPANDED CRYPTID CREATURES FROM DARK DOMAINS: DOGMEN, DEVIL HOUNDS, PHANTOM CANINES AND THE INVINCIBLE SHERLOCK HOLMES**

Legends of black dogs and phantom hounds are widespread throughout the United Kingdom as well as in the United States. Though presented in novelized form, Sherlock Holmes creator Sir Arthur Conan Doyle based his most popular detective thriller on true accounts of a mysterious black beast with blazing red eyes who is said to have attacked those crossing the moors. Some were lucky to have gotten away with their lives. Perhaps there are others who disappeared and their bodies were not accounted for. Today’s top paranormal researcher’s delve into stories of the bloody beast who comes in various sizes and apparently even has the ability to shape shift into a more hideous creature when cornered, as England’s leading cryptozoologist, Nick Redfern, points out in this stunning new work.

Here is also the latest research from Pennsylvania’s foremost Butch Witkowski who finds himself in the middle of an unprecedented wave of bipedal canine “attacks” on hunters and campers. These Dogmen are muscular, upright creatures standing over seven feet tall and said to have the body of Arnold Schwarzenegger and the face of a hideous, snarling canine.

Here are dozens of accounts by Tim Beckley, Sean Casteel, Butch Witkowski, Andrew Gable and Claudia Cunningham of devilish, gruesome, repugnant anomalous beasts – said to be Satan’s watch dogs protecting the portals to another dimension or realm where no mortal should be made to tread!

## DISCLOSING THE BIGGEST SCANDAL OF ALL TIME

### □ SEX SLAVES OF THE CIA

Tracy Twyman, Commander X and Nick Redfern unwrap the deepest, darkest, most twisted secrets of the Secret Government, including their hand in:

- ★ -UNIMAGINABLE RAPE, TORTURE AND BLOODY RITUALS.
- ★ -THE INVOLVEMENT OF CHILD ABUSE RINGS.
- ★ -USE OF OCCULT AND "SATANIC" RITUALS AS "TRAUMA CONTROL."
- ★ - THE PHENOMENA OF MIND CONTROLLED "STEPFORD WHORES."
- ★ -PARTICIPATION IN HUMAN SEX TRAFFICKING RINGS.

Many of the purported victims were used to satisfy the sexual urges of the rich and powerful. For these purposes, the CIA is said to have sought help from inter generational cults, as well as child pornography and snuff film networks. As thousands of people were bought and sold on the underground sex market, our government supposedly looked the other way, seeing it not as an atrocity, but as an opportunity.

Indeed, what do hedonism, human trafficking, mind control experiments and child sex abuse have to do with the government? According to the testimony of experts and survivors, the CIA utilized all of these elements and more for their Top Secret Project Monarch, part of the MK-ULTRA mind control program. For reasons of National Security, dozens if not hundreds of people, many of them children, were allegedly subjected to unimaginable rape, torture, and bloody satanic rituals, with the aim of fracturing the human mind through trauma. This created multiple personalities that could then be programmed to perform specific tasks. .

Contains interviews with Cathy O' Brien - Mark Phillips - John DeCamp - Ted Gunderson - Noreen Gosch and Pamela Freyd.

# FIRST TIME OFFERED - FOR FANS OF THE SHAVER AND INNER EARTH MYSTERIES

## SECRET CONFESSIONS OF THE PENNSYLVANIA COAL MINE CAVE-IN

### ☐ SHEPPTON: THE MYTH, MIRACLE AND MUSIC

Author Maxim W. Furek with Sheppton book.

In 1963, three miners were entombed more than 300 feet underground near remote Sheppton, Pennsylvania. Although two were eventually recovered, the third simply disappeared - even though technically there was no place for him to go!

The author of this true life thriller, Maxim W. Furek is an avid student of the coal region and investigator of the "Inner Earth mythos." The incident made headlines when it happened, and though there were a variety of "weird aspects" to this incident they were quickly forgotten. Mr Furek has bought them back to the surface. "Indeed, something fantastic happened in that soulless place devoid of forgiveness and light. It

was a black hell, a total darkness where the ability to see depth or movement was eradicated. Yet, while confined, the miners saw bizarre humanoid creatures and stairwells leading to a Golden City. They claimed to have been in the presence of the Holiness Pope John XXX who had been deceased for several months."

Some researchers have suggested that Sheppton is entwined with the controversial "Hollow Earth Theory," while others claim it provides proof of life after death. Tim Beckley says: "This is among the best works on the mysteries of the subsurface world. Fans of the late Richard Shaver and Ray Palmer will love this book."

## ARE ANCIENT ALIENS THE CUSTODIANS OF EARTH? HERE ARE NEW LINKS TO THE SPACE GODS

They have been with us since the dawn of civilization, an intricate part of our religious and cultural belief systems. They have guided us, prodded us and perhaps even tried to control us. Some say they are the custodians of the planet, that they are here to show us the path to enlightenment. Others see them as being more nefarious in their intentions. Here at your fingertips are insightful works that reveal the secrets of the ages.

**LEGACY OF THE SKY PEOPLE** Is there an ET origin for Adam and Eve? The Garden of Eden? Noah's Ark? As early as the 1960s, Britain's 8<sup>th</sup> Earl of Clancarty, Brinsley Le Poer Trench, made an astounding revelation that life on earth had originated on the planet Mars and the first voyagers here had been the Biblical couple. Thus the roots of the various Biblical stories taught to this day. With added material by Nick Redfern, Tim Beckley and Sean Casteel, questions include: Why the CIA and the military show an unprecedented interest in the remains of what many claim to be Noah's Ark that came to rest on Mount Ararat? Is there a new race of humans being formed in these uncertain times? According to the Earl of Clancarty, some of us are rapidly reacquiring the telepathy and psychic abilities we were originally created with. **\$20.00 + \$5 S/H**

**ALIEN SPACE GODS OF ANCIENT GREECE AND ROME** Was the Mediterranean region of our planet visited by a race of "Super Beings" in ancient times? Was the Oracle of Delphi a conduit for prophetic messages from outer space – perhaps the first telepathic channeler? Researcher W.R. Drake asks: Did giants from space establish a UFO base atop the picturesque Mount Olympus? – Were they the gods and goddesses of "Mythology" idolized and given names such as Apollo, Hades, Athena, Hermes, Zeus, Artemis and Hestia? – Did the powerful deities of Greece help save Athens from being invaded by the mighty armies of Atlantis in 10,000 BC? —Is there reason to believe that the Greeks and Trojans were inspired to fight for the beautiful Helen, surely a space queen? – 318 pages, **\$22.00 + \$5 S/H**

**THE ARK OF THE COVENANT AND OTHER SECRET WEAPONS OF THE ANCIENTS** Was the Ark of the Covenant a nuclear device capable of killing large segments of the population? Did "God" give it supernatural powers? Was it responsible for the collapse of the Walls of Jericho thus allowing the Israelites to take control of the city? Was Moses able to speak directly to the Lord through the two angels positioned on the Ark's top? David Medina offers proof the ancients possessed "secret technology" that made them exceptional warriors. But how did they develop such devices on their own? Centuries ago "wonder weapons" could be found in many lands, laying waste to man and property. – **\$20.00 + \$5 S/H**
