THE TIME HAS COME
 by Timothy G. Beckley

We can open our windows, walk proudly onto the street, kiss people we haven't kissed for months, and get on with our lives.

Which means, dear buddy, you need to buy a book!

Seriously, we haven't had an issue out in a long while though we have been taking care of our "regulars," who continue to order through the mail via credit card, PayPal or with checks/money orders.

We appreciate your patronage and hope you have enjoyed our books and products because we have a bunch of new offers, which you will find nestled within these mighty pages.

Many order through Amazon and that's fine as well, though we like to keep in touch with you personally. Those on the net get Tim Swartz's Conspiracy Journal on line which is a weekly update on our activities. Lots of podcasts and appearances on Coast to Coast AM with George Knapp and George Noory.

WHAT'S NEW YOU ASK?

O—DULCE WARRIORS — What in God's name is going on underground in this NM hell hole supposedly taken over by a group of creepy, crawly, greys? MKUltra. Underground rail and tunnel system exposed.

O—ALIEN LIVES MATTER — IT'S OK TO BE GREY — Tables are turned as aliens are shot at, run over, molested and chased helter skelter. Plus, is there a Black UFO Experience? Historical overview of unsung heroes. Our magus opus.

O—PERSONALITY UNMASKED

— Wm Oribello tells you how to know what others are thinking about you.

O—REAL LIFE TRANSFORMATION OF DIANE TESSMAN — Famous abductee/channeler travels the world to discover what makes her tick, and why the ET/Time Travelers are interested in her.

O—SOLVING THE MYSTERIES OF SPACE, TIME, UFOS — Space Goddess reveals secrets of cosmic occultism.

O—UFOS, ARMAGEDDON, AND BIBLICAL REVELATIONS — Christ in the clouds. Marian phenomena. What on earth is going to happen next?

And there is, good friends, more to see under the "big tent," so pull the flap to the Matrix aside and join us in a parallel dimension where it isn't necessarily all fun and games, and almost anything goes.

DULCE WARRIORS

DULCE WARRIORS ALIENS BATTLE FOR EARTH'S DOMINATION

Monster Factories - Alien Cloning - Underground Tunnel Systems - MK Ultra Soldiers Disguised As Aliens - Greys Torturing Humans - Children Disappear - Government Germ Warfare Weapons - Human Mutilations

New breakthrough on the "suicide" of Blue Beret's whistle blower Philip Schneider whose underground battle in the alien bunkers of Dulce, NM, has been heatedly debated. "Even before the reign of Philip of Macedonia, " the ancient Roman philosopher Seneca wrote in his "Questions of Nature," "Men forced their way into

caverns, where it is impossible to tell the day from the night, and penetrated to the deepest hiding places. They saw great rushing rivers and vast still lakes, sights that made them tremble with horror.

"They descended to a world where the whole of nature is reversed. The land hung above their heads while winds whistled hollowly in the shadows. In the depths, frightful rivers lead no where into perpetual and alien night. After accomplishing so much, these men now lived in fear, having tempted the fires of hell. "

Caverns have always exacted a magnetic hold on the human spirit. Speleologists say, no other experience comes close to crawling in tube-like tunnels in the guts of the earth. Even the casual visitor to a tourist cave is enthralled by cathedral-sized subterranean domes and chambers.

DIANE TESSMAN IS OFTEN REFERRED TO AS "THE GODDESS OF UFOLOGY AND SPACE-TIME CHANNELERS!"

Many books have been written about UFOs. Some focus on sightings, others on close encounters, or even abduction experiences. It's rare to find one that includes all these categories, but also focuses on the life experience of the individual whose very existence has been drastically altered due to the dynamic nature of this phenomena.

The honey blonde, green eyed UFO experiencer underwent a series of face-to-face contacts with her "Special One" at an early age. This unique relationship resulted in a bonding between a cosmic and an earthly soul. Their relationship has lasted all of Diane's life leading to wisdom about the nature of the universe, including space and time travel.

This work is a unique, inspiring, fun adventure which offers personal, never before documented, alien and paranormal experiences of a UFO abductee, channel, researcher, and world explorer.

For example, Diane embarked on a metaphysical quest which took her to Ireland to live for 5 years; in her new book, we learn of her experiences with ghosts at the mansion ruins called Summerhill House, and of her personal explorations in the mystical Irish countryside with its phantoms, holy wells, burned-out castles, and mystical Celt vibrations.

Now more biographical in nature, Diane has built an entirely new book around the best-selling original **TRANSFORMATION**, which she wrote in 1983 (also included in this new work as bonus material). For the first time, Diane recalls having had two childhood abductions with a voyager of the galaxy named Tibus; he then channeled through Diane for **THE TRANSFORMATION**, becoming one of the most popular and respected voices speaking about space and time. Tibus continues to share his consciousness, offering enlightened messages, warnings, and predictions, and has been pivotal as Diane's career and lifetime have unfolded.

In **THE TRANSFORMATION OF DIANE TESSMAN**, personal UFO and paranormal memories are shared from each place she has lived, from the Virgin Islands, where she taught school, to Florida, where paranormal activity preceded the tragic Skyway Bridge collapse of 1980, to George Van Tassel's Giant Rock "time travel machine" in the Mojave Desert.

THE TRANSFORMATION OF DIANE TESSMAN is objective scientific research from Diane, who was with both MUFON and APRO, on the nature and source of ghosts, on the possibility that some UFO occupants are time travelers from Earth, and on the five types of propulsion aliens use to travel to Earth from distant worlds. Also, respected Ufologist Rich Hoffman reveals what the Chief Medical Officer of Wright Patterson Air Force Base shared with him as to the probable home world of the crashed saucer victims.

ALIEN LIVES MATTER — IT'S OK TO BE GREY

**Some Call These Cases Mere, “Urban Legends,”
But In Shocking Contrast – They Are “All Too Real!”**

Over 20 of the world's leading UFOlogists establish that humans have done battle with aliens over and over again, shooting at them, molesting them, hitting them, running them over, unleashing dogs upon them, and injuring — and even killing them — through any means possible, as humans try to combat their fear of the unknown.

In multiple instances, the aliens have fought back on land, in the air and in the sea. They have sought revenge, and more often than not, gotten it, as these documented cases illustrate.

Here are over a hundred reports of the strangest close encounters with humanoids who have been known to use “excessive force” to defend themselves — such as in the case of a NY hunter whose rifle was ripped from his hands, the barrel twisted like a pretzel, and then handed back to the stunned participant in this very bizarre other-worldly skirmish.

EXCLUSIVE!!! — There is also the legendary crash landing of a UFO in Kingman, AZ, described by prominent historian Harry Drew. This sobering case involves 8 UFOs maneuvering themselves in the sky in combat position over the town. Apparently, they were returning to find any survivors of their doomed craft that had been “shot down” and crashed in the desert, and to protect themselves should they be attacked openly once again. Two human-looking alien survivors were accused of having caused a destructive forest fire, and later escaped from “protective custody,” while being held in a secure underground jail cell.

—**Diane Tessman reveals instances in which aliens were captured and held behind the military's “enemy lines.” Some were later “executed” and their cadavers supposedly dissected for “scientific purposes.” —**MUFON's Tennessee State Director Angelia Sheer, provides evidence that a group of harassed ET's somehow mysteriously “removed” the live ammunition from the magazines of a stalking group of rifle totting sportsmen. —**Albert Rosales' 13 “unlucky UFO” skirmishes between humans and aliens who felt they were being overtly harassed is revealed!

IS THERE A BLACK UFO EXPERIENCE?

The second part of the book's “mission,” is to dispel the concept held by many that African-Americans are not prone to have UFO experiences or to hold a belief or interest in the subject. Prof. Stephen Finley of the University of Louisiana, explains how UFOs are part of the overall “Black experience.” These are the unheralded “patriots of UFOlogy.” Everyone realizes that Betty and Barney Hill were an interracial couple. But hardly anyone knows, as David Halperin points out, that they thought about taking a concealed revolver into the craft as they were being abducted by aliens. Did their abductors use a form of mind control, preventing them from doing so, perhaps to make certain no one — alien or human — was harmed?

At 3.5 lbs, “Alien Lives Matter – It's OK To Be Grey,” is positioned to become an indispensable tool for UFO Disclosure, providing evidence that aliens have the same aspirations for bodily preservation, and adversity toward death, as humans do! This is not a coffee table book - this is the coffee table at over 3.5 lbs.

A REMARKABLE BOOK FOR A REMARKABLE AGE SOLVED! MYSTERIES OF SPACE, TIME AND UFOS

This wonderful book was written using telepathy as the medium of communications by a Dakini — or “a space and time traveler residing in another dimension.” It is for those seeking the ultimate truth about cosmic mysteries.

This is NOT your ordinary channeled book! Though you can believe it is if you so desire and don't wish to “go all the way,” and believe that a real Sky Goddess put these magic words onto paper. For you see, these in-depth transmissions, these remarkable essays, were brought into our space and time – our world as it were – by an advanced entity known as a Dakini, which simply put means, “She Who Can Fly.” A Dakini is a Sky Goddess, a Space Goer, or Space Dancer who guides humans along the path to enlightenment, most often in regard to the exact nature of the universe and its vast domains.

The world Dakini inhabits includes parallel dimensions and all individual universal time zones and curves and dilations. While connected with elements of both white and black magic, on the positive side this powerful spirit can remove physical hindrances and spiritual obstacles such as those associated with pride and ego.

“THE MYSTERIES OF SPACE, TIME AND UFOS,” covers such topics as Flying Saucers, (now known as UAPs) Angels (without wings), Demons and other Occult subjects. The supernatural being only the unknown sciences yet to be rationalized by the academic communities because of “unclear thinking.” This book contains facts about the secrecy and suppression of such subjects as religion, psychiatry, physics and outer and inner space. As a text book on life and death in the universe, it will bring release from fear. It will answer such questions as – ** What is Atomic Fusion? —** What is an apport? —** What really happened to the early space contactees who were so popular in the Fifties and Sixties and went out on a limb to tell their intriguing stories of communicating with extraterrestrials?

The entity that is Dakini says it is time we knew the truth about Inner Space and the Divine Intelligence which will ultimately enable humans to abandon any hatred they may harbor toward one another. This work constitutes a feverish attempt – before it is too late – to explore and explain the cosmic laws to men and women of all faiths living in all nations around our planet. In addition to these remarkable essays by a “space goddess,” material from the vault of the late Tibetan lama, T. Lobsang Rampa, further fortifies this timely text with stories of his trips to other planets and meetings with the galactic overlords. Channeler and UFO experiencer, Diane Tessman, adds additional words of wisdom, as does publisher Tim Beckley, and researcher Tim R. Swartz.

NEWLY EXPANDED EDITION 365 Large Format Pages By Commander X WHO REALLY CONTROLS PLANET EARTH?

**Exposes The Existence Of The Soulless Ones, The Elders,
The Dero, The Illuminati And The Counterfeit Race**

A GREAT COSMIC MYSTERY REVEALED!

THIS IS THE GREATEST CONSPIRACY ON EARTH.

This planet is a cosmic laboratory – and we are but guinea pigs to those who have kept us as prisoners on earth.

Each year an estimated 850,000 Americans are reported missing. Exactly where do they go?

A military intelligence operative known as Commander X goes behind the scenes to provide **BREAKING NEWS** on a vast variety of conspiracies that are hidden because they are said to be “Fake News,” when in reality they are issues that would be troubling to us all if we only knew more about them.

Not long ago a leading British scientist confirmed the existence of “The Controllers.” He was quoted as having said: “Human beings are simply pawns in the games of alien minds that control our every move. Our whole life and the complete existence of the universe is at the whim of the creatures that hold fantastic mental powers over us.” This secret dossier is proof that humankind continues to wage all out battle with those who have kept us as their slaves since the beginning of time.

They are: **— The Soulless Ones. **— The Elders. **— The Illuminati. **— The Grays. **— The Counterfeit Race. “They have, says the author, kept us in human bondage” by: **— Controlling our minds. **— Planting imperfect thoughts in our

heads. **— Kidnapping humans. **— Impregnating women. **— Causing global warfare and ethnic hatred. **— Creating a false economic system, and assassinating and replacing our most trusted spiritual leaders, rulers and elected officials.

This highly classified report also contains the previous unpublished “SOM-1 UFO Retrieval Manual given to those military personnel responsible for removing the wreckage of crashed UFOs and the bodies of surviving or deceased aliens that have been shot down or fallen from the sky. This book exposes the true nature and danger of our current world situation and reveals how we may take the Earth back, rid of the planet of these sinister beings, live a more fruitful existence and learn to live in peace and harmony with all positive forces throughout the universe.

AMERICA'S TOP SECRET TREATY WITH THE ETs: PLUS THE HIDDEN HISTORY OF OUR TIME

Is the “treaty” a false flag? — Part of a disinformation campaign? Or some CIA sponsored “Smoke Screen?”

They arrived without our knowledge or consent and told our military leaders they came in peace for the benefit of humankind, and would gladly start an exchange program with the people of the planet earth which could lead to a “Golden Age.” We wholeheartedly believed them and agreed to the “Treaty” almost without any sort of protest. Then they began to abduct our women! Then they returned for our children! Soon after they began to rape the earth's resources! And it became apparent they ultimately wanted to control our minds and capture our souls for their selfish reasons, some too horrific to comprehend.

NEW – LARGE FORMAT – 250 PAGES - \$22.00

Timothy Green Beckley's

- ☐ **MATRIX OF THE MIND: UFO ABDUCTIONS – MK ULTRA AND ELECTRONIC HARASSMENT TECHNOLOGY DESIGNED TO WARP YOUR BRAIN**

☐ We are involved in global warfare. Big Brother has us under his thumb. His use of electronic and mind control harassment operates at the speed of light and can torture, maim and kill us all! Someone is watching us day and night. Perhaps through our TV screens. Definitely 24/7 on the telephone. And how about that unmarked black helicopter or the satellite that passes over at the same time every day? Also included is the story of internationally-known model Candy Jones. As the British researcher explains in the Fortean Times, "Deeply perverted sexuality appears to have been an implicit element in the covert agenda. She was frequently stripped, put to bed, drugged, hypnotized and tortured by various parties. She was put onto medical examination tables and suffered Gestapo-like interrogations." Furthermore, Sean Casteel takes us deep into the UFO abduction phenomenon and whether UFO encounters are all they seem to be on the surface. Are they part of some weird off-world mind control program? —\$22.00

☐ **MIND CONTROL SEX SLAVES AND THE CIA**

Researchers Tracy Twyman, Nick Redfern, and Commander X reveal the unimaginable rape, torture and bloody rituals of leading politicians involved in child abuse rings, use of the dark side of the occult, drug running and human sacrifices. What is the truth about PROJECT MONARCH and the insanity affairs of the most powerful people in the world? Can we believe anything they tell us when you consider that many would like to turn us into human Sex Slaves. An acknowledged classic. — \$22.00

☐ **MIND STALKERS – MIND CONTROL OF THE MASSES**

Commander X and Tim Swartz say there is no denying that the powers that be can subliminally implant thoughts into a person's mind to control their actions, even utilizing telephones by impressing a coded message while negotiating with an individual. One of the most recent devices in this program of deception is the use of unmarked helicopters as a form of electronic mind control harassment. — \$20.00

☐ **NEW! — — THE MATRIX CONTROL SYSTEM OF PHILIP K. DICK AND THE PARANORMAL SYNCHRONICITIES OF TIM BECKLEY**

Famed Sci Fi/Conspiracy novelist — "Total Recall" — says we are living in the Matrix as part of a computer simulation and that our destiny may be governed by an intelligence who has the ability to control our life. VALIS, as he calls this intelligence, offers symbolic clues that we are living in multiple "parallel worlds" and other dimensions simultaneously. John Keel, Charles Fort and Jacques Vallee hold similar concepts. Ties in with past lives, UFOs, mysterious deaths.

Paranormal phenomena. Occultism. Even religion!

MYSTIC UTOPIAN "SUPERMEN" A PRIVATE TRAINING COURSE THE MOST CONTROVERSIAL TEACHINGS IN THE USE OF UNIVERSAL MAGNETISM AND THE MENTAL CONTROL OF OTHERS

Lessons On How You Can Become A Mystical Utopian "Superman". . . Here is a 'very private' training course in the mental and physical control of others. In 1925 a rare set of books were released by a controversial occultist and 'Utopian Movement' founder who sought to create a Nazi-like racial "superman" through the development of occult powers.

Edmund Shaftesbury (pseudonym of Webster Edgerly) saw his followers as the founding members of a new race free from "impurities," and advocated bizarre teachings which included a "correct diet," as well as mental and physical exercises which could give them control over others. .

IS IT POSSIBLE TO CREATE A GENETICALLY PERFECT RACE? . . . Hitler thought so and sent a team from the SS to find a Lost Civilization in the Himalayas whose descendants from Atlantis were known for their superhuman mental powers - - -

In 1926, Stalin instructed the Soviet Union's top animal-breeding expert: "I want a new invincible human being, insensitive to pain, resistance and indifferent about the quality of food they eat." Stalin's goal was to create a secret race of hybrid creatures that combined the intelligence of human beings with the physical strength of a Gorilla. . The author preceded these notorious historical figures, shaping a formula to elevate mankind to "Superhuman" status, utilizing what today we might consider to be the **DARK SIDE OF THE OCCULT**. We **DO NOT** advocate these theories, but they were supported by Rockefeller and others in the USA at one time! 600 + pages. Very large format.

**The Final Nail ...
IN YOUR COFFIN!
A POX TO ALL OF MANKIND**

Commander X - Sean Casteel And Tim R. Swartz

DON'T FEAR THE REAPER!

For those who fear the left hand path, we provide these humble offerings from "the one" often represented as a robed skeleton with a scythe – the Grim Reaper so named because he is believed to "reap" the souls of the living, thus robbing them of life. He is also known as Death, La Muerte, The Fourth Horseman of the Apocolypse and He Who Rides the Pale Horse. You have been warned to delve carefully. But if you must, check off the desired titles and send payment – ***BEFORE ITS TOO LATE!***

1 ☐ – ROUND TRIP TO HELL IN A FLYING SAUCER – \$20.00

Shape shifting and morphing UFOs and aliens. Satan steps out of a landed "spaceship." Man travels to Hell aboard a flying saucer. Many contacts with demonic beings. Are demons abducting humans and performing sadistic rituals? Raping men and women? 300+ pages. Large format.

2 ☐ – A NAIL IN THE SIDE OF YOUR COFFIN - \$15.00

Morgellons and Red mercury Plagues could be the final nail in the coffin of humanity that could place you six feet under! The medical and scientific professions say its all a big hoax, that it is impossible for wires and black threads to be poking through

your skin, and that the Russians CAN'T be walking around with a mysterious red substance in their attache cases that could pollute the air and kill millions.

3 ☐ – WICKED THIS WAY COMES – \$21.95

The Ultra-Terrestrials possess various characteristics in common with spirits, from the dark corridors of demonology, and have been known to produce the same sort of phenomena at UFO landing sites as you would find in a haunted house or at a seance. Their feats are definitely ungodly.

4 ☐ – AMITYVILLE AND BEYOND! - \$20.00

Six people were murdered, their blood splattered around this infamous home on Long Island. But the story of demons and poltergeist are much more intriguing and encompass a wide spectrum of related phenomena from crawling lights, to hideous monsters, to voices on your TV set! Tim Beckley, Paul Eno and others explore the "dark side" of the supernatural.

#5 ☐ – EVIL EMPIRE OF THE ETs AND ULTRA-TERRESTRIALS – \$21.95

Tim Beckley, Dr Karla Turner, Brad and Sherry Steiger, Sean Casteel tell tales of unbelievable aggression: "The creatures were hostile and went into attack modes several times, putting up dense fogs. One time when they stopped; It was like a backwards tornado coming from the mouth of the leader of the ships. It was like a ray that he was sending down a funnel. He did it five times, then he left..." 286 pages—large format.

#6 ☐ – CURSE OF THE MEN IN BLACK: RETURN OF UFO TERRORISTS – \$20.00

By Timothy Green Beckley with John Stuart—One by one they have given up their research - perhaps even their lives! — forced to go underground because of threats from the shadowy beings. Are these individuals government agents gone amuck or sinister aliens? Satanic representatives?

#1 ☐ THE OCCULT SAGA OF WALLI ELMARK: THE ROCK AND ROLL WITCH OF NEW YORK – \$25.00

WICCA – The Occult – UFOs – Celebrity Gossip and Rock Music. A tale of New York's bedazzling white witch and the music scene of the 1970s. Plus some magickal spells for love, money and success. This is the compelling story of a beautiful witch who saved the life of "possessed" David Bowie, and cast a spell on pop stars and high profile celebrities during this most historical period. Memoirs of Tim Beckley who tells this exciting story first hand as he lived it.

#2 ☐ UFO SPIN DOCTORS: PROOF ALIENS

CAN BE DETRIMENTAL TO YOUR WELL BEING – \$25.00

No matter how explicit the evidence for a particular case may be, your hard nose skeptic say there is a "logical explanation," that that craft that crashed in the woods was actually just a meteor (even if it shot back up into the sky). Dozens of "weird encounters," including incredible Men In Black case investigated by Dr. Berthold E Schwarz.

#3 ☐ BIZARRE AND UNEXPLAINED WORLDS: PORTALS TO OTHER DIMENSIONS --\$25.00

We know shadow governmental agencies have long been responsible for massive "disinformation campaigns." But there is an element of "sex and saucers" which you probably never heard of. Some aliens have even come here to "suck your blood!" This includes bizarre cattle mutilations, the chupacabras, and eye-witness accounts from South America of bloody human mutilations. And this is only the beginning. Just turn the 200 plus pages, view the dramatic color photos, and become transfixed.

#4 ☐ THE SECRET UFO CONTACTS OF PAUL VILLA: INTERPLANETARY VISITORS FROM

COMA BERENICES - \$25.00

Shocking full color photo album of over 100 pages. Some UFOlogists believe these pix are more authentic than those of Billy Meier. Here is amazing pictorial evidence of UFOs over earth and ongoing encounters with Ets as experienced by a humble man from rural NM. Some of the objects are actually shown on the ground. His home was destroyed because he knew too much about space beings!

SEALS OF THE SPIRITS

SAID TO BE THE MOST POWERFUL IN THE WORLD

Use the seals within this manuscript wisely, and all that you want shall be yours. Love – Luck – Prosperity – Power – Removal of Pain and Suffering – An End to Stress and Anxiety

THE BLACK PULLET (aka "The Hen With The Golden Egg") is one of the most powerful Gimoires. It is said to have brought immense riches to those that have ever so much as owned a copy down through the ages.

It was put onto parchment in the 18th Century by a French officer in Napoleon's army who was the only survivor in a battle against the Arabs. He was nourished back to health by an old Turkish hermit who takes the soldier inside a secret chamber, within one of the pyramids, and shows him an ancient manuscript containing magical spells for powerful rings, amulets and talismans. One of the most amazing magical properties claimed is the ability to produce the Black Pullet famous in fables, fairy tales and folklore. For whoever does so – or simply owns the manuscript -- will gain the unlimited prosperity of the Royal Court. Simply cut out the talismans – or make copies of them – and place them on your person or around your dwelling.
