**TIM BECKLEY DISCUSSES SPIRITUALISM, UFOs AND THE DREADED
MEN IN BLACK WITH GEORGE NOORY ON COAST TO COAST**

Sir Arthur Conan Doyle

...creator of the **Sherlock Holmes** character, escape artist and paranormal debunker Harry Houdini, as well as the Men in Black may seem like topics with little association, but they all linked up very nicely in a recent discussion between Conspiracy Journal publisher Tim Beckley and Coast to Coast AM host George Noory. Involved with UFOs and the paranormal from an early age, Timothy Green Beckley, discussed the connection between spiritualist phenomena and UFOs, as well as stories of visitations from Men in Black. He also spoke about his friendship with Uri Geller and shared accounts of Geller's paranormal abilities, such as key bending and the altering of jewelry just by waving his hand over these objects, which Beckley observed in the presence of heavyweight champ Muhammad Ali. On one occasion, Geller told Tim that he heard something pelting his roof and saw coins falling from the sky. Beckley also revealed he once shared a Fifth Avenue office with stage magician and arch PSI skeptic the Amazing—some say *Amusing*—Randi.

The Randi of his era, escape artist Harry Houdini had been a skeptic of the spiritualism movement, though a number of séances were held, for 10 years after his death in 1926, to try and make contact with him. An audio excerpt from one of these séances was played on the air, although Beckley noted that Houdini never responded during the séances, though his friend and ghost writer Walter Gibson (creator of *The Shadow* novels) was a believer in most things psychic. Linking various phenomena such as levitation and teleportation, Beckley noted such anomalies are often witnessed during séances, as well as being reported in UFO cases. This has led Beckley to conclude these phenomena stem from the same source, and that UFOs hail from other dimensions rather than from extra-terrestrial locations, though he does not eliminate the ET hypothesis entirely in a few rare instances.

times wearing a wide brimmed hat and dark sunglasses. Some of them appear not to be human and may have almond-shaped eyes, waxy lips, and be oddly dressed. Their visitations can be connected with mechanical phone calls, and the appearance of black helicopters. He added. "I think from all I've been able to see, the MIBs are zombies—they're under somebody else's control;" they're like the waxy apparitions that appear in séances, he suggested, again linking the various paranormal topics that continue to intrigue him for so many years.

REVEALING THE BIZARRE POWERS OF HARRY HOUDINI - PSYCHIC? MEDIUM? PROPHET? CLAIRVOYANT?

New Book Includes Bonus Audio CD
Of Houdini's Last Seance

Timothy Green Beckley also discussed his two latest books *Revealing The Bizarre Powers Of Harry Houdini* and *The Curse Of The Men In Black* and sent images to the Coast to Coast AM web site to accompany his presentation.

In the first image, he writes that "strange orbs, shafts of light and illuminated forms have been observed in the seance room for decades, while today such phenomena has become associated with the appearance of UFOs and their occupants."

Beckley theorizes that they could be one and the same!

Of the next image: "In the seance room a filmy white substance dubbed ectoplasm would emanate from the mouth, nose or ears of the medium to form a spirit being, while a similar substance known as angel hair has been seen to drift down from the sky during or following a UFO sighting. Could these strange substances, which almost always vanish in the blink of an eye, somehow be related and do they perhaps act as a conduit or means of conveying

As for the dreaded Men in Black (MIBs), Beckley noted their association with the harassing or questioning of UFO witnesses, typically telling them not to report what they saw. He described them as looking like FBI or Secret Service agents, some-

The second set of images shows Sir Arthur Conan Doyle — creator of the famous detective Sherlock Holmes — and Harry Houdini meeting. Eventually they became bitter rivals over the legitimacy of spiritualism and psychic phenomena.

Also pictured is world class spoon bender Uri Geller on a 1974 visit (which Beckley attended) with Muhammad Ali at the champ's Deer Lake, PA training camp.

JOURNEY TO A LAND OF MYSTERY AND MYSTICISM

Editor, writer, researcher, filmmaker, travel specialist and independent cable TV producer, John Wilcock has studied the hidden world of the strange and unusual, the bizarre and the outrageous. In addition to this work he is author of the book 'The Amazon' and 'The Amazon' is the title of his new book 'The Amazon'.

ON THE EDGE OF REALITY

South American folklore has its share of unique and fantastic legends. There are incredible tales of magicians and their weird magical arts, strange creatures, ghosts and other unexplainable mysteries. The first explorers that entered what is now South America were dazzled by the endless tropical rainforests, the strange and diverse wildlife, and the indigenous peoples and their mysterious ways. Even today, South America offers unique perspectives and influences on the paranormal that are not found elsewhere on the planet.

The people of South America live in a world steeped in ancient traditions that enhance their lives with rich tapestry of mystical beliefs. In modern Latin America, Catholicism is the predominate religion. However, especially in Brazil, Espiritismo (Spiritism) has become extremely prevalent since its beginning in the mid 19th century. Spiritism like Spiritualism, believes in the survival of the human personality after death and that mediums are able to communicate with the spirits.

A seasoned journalist who was a founder of the Village Voice and editor of the Witches Almanac, John Wilcock has circled the world in search of the strange and unusual, the bizarre and the out-and-out outrageous. Along with paranormal researcher Tim Swartz, they journey the continent to recount stories of demons and sinister spirits, creatures from out of this world, living dinosaurs and giants in the earth.

That Are Guaranteed To Immediately BENEFIT YOU!**

Did you ever notice that there are some people who seem to always come out ahead in life? You know the ones...they are always at the right time and place to get the very best of everything. They get the best jobs, make a lot of money, are super attractive to the opposite sex, and they make it look so easy. What makes these people especially irritating is that it seems as if they don't try at all for these things, that life just tosses everything that they desire right into their laps.

Makes Your Heart's Desires A Reality.

Brings Money To You Out Of Thin Air.

Turns Your Inner Most Needs Into Certainty.

So what is it that makes these people so successful? Hard work? Dumb luck? Trust fund? For some, their success does come from hard work and dumb luck. And of course it doesn't hurt to be born into an already rich and successful family. But we are not talking about these people. We are talking about those who have learned the secrets to make life work for them rather than against them. We are talking about the powerful energies of the Universe that are available to all who are willing to learn how to control them with some very simple techniques.

These powerful universal energies for centuries have been called by many names: Prana, Chi, The Force. These are the energies of Creation. But what is not widely known is that these energies did not disappear right after "The Beginning." Creation is a continual process. It never stopped. It is happening right now.

The other secret is that we are all participants in Creation. We all have the ability to harness these creative energies to literally build our reality around us. We do it every minute, every second of our lives. However, most people have no idea that they are the creators, the builders of their lives. They do not realize that their very thoughts are constructing their reality from second to second. For most people this is why their lives are so chaotic and unformed. Their lives are their very thoughts made into reality.

Wouldn't it be nice to learn how to control your thoughts and harness this energy? Wouldn't it be nice to use this energy to get what you want out of life...to obtain your heart's desires? This is what this book is all about. How to control your thoughts and, in turn, how to control the creative energies that flow through the Universe, and through all of us.

**Be The Master Of Your Own Destiny.
Use Para X Powers To Influence Others.
Bring About Instant Popularity.
Seduce Others Upon Command.**

Scribes and sages have given a name to this energy...they call it **Para-X Power**. **Para-X Power** is an actual living force. It is the force that makes plants and animal bodies grow and which enables all living things to move and act. It is the force which enables the growing mushroom to raise up the slabs of paving stone or causes the roots of a tree to split open the great boulders, into the crevices of which they have crept. **Para-X Power** is not an abstraction or speculative nothing - it is an existent, living, mental, acting force, manifesting sometimes with an appalling power and sometimes with a delicate, subtle touch that is almost imperceptible, but which accomplishes its purpose.

For centuries, the techniques of **Para-X Power** has been taught by Mystery Schools and secret Mystical Orders. These mystical teachings were intended only for the few initiates who dedicated their lives for that particular order or society. Because of this, mystical teachings like **Para-X Power** were hidden within a lot of gibberish made up of nonsense words, phrases and parables that would have absolutely no meaning to non initiates.

Tapping into these powers that are so abundant, but which are so little understood, will result in you being able to deliver silent commands to all those that surround you on a daily basis. Your new found powers will result in your dreams of wealth, wisdom, love and popularity coming true – and sooner than you think!

**Use A Para X Facility Known As Paravoyance
To See The Future And Read The Thoughts Of Others.**

**Learn To Invoke Magic “Commanding Words”
For Wealth, Health, And Happiness.**

Practically every metaphysical or occult book ever produced was written to be confusing. You could have hundreds of such books in your personal library and yet do they really benefit you? Or are they full of contradictions and vague, meaningless parables? But to the select few who have received the proper teachings, TRUE esoteric meanings are very clear. With the help of some of the world's leading esoteric researchers, Dragonstar, Swami Panchadasi, Tim R. Swartz, William Walker Atkinson, William Oribello, and Timothy Green Beckley, this book cuts through all of the meaningless metaphysical nonsense and goes directly to the heart of the teachings. **Para-X Powers** can be used by anyone willing to open their mind and believe that they have the power to make dreams come true.

ONE BY ONE THEY HAVE GIVEN UP THEIR RESEARCH...PERHAPS EVEN THEIR LIVES!...FORCED TO GO UNDERGROUND BECAUSE OF THREATS FROM THE SHADOWY BEINGS KNOWN AS THE MEN IN BLACK

Newly Released Two Books In One & Bonus DVD!

CURSE OF THE MEN IN BLACK: RETURN OF THE UFO TERRORISTS INCLUDES THE CLASSIC: THE UFO WARNING

As one distressed UFO researcher put it, "Ever since organized flying saucer research began, a disturbing number of serious investigators have suffered personal harassment, unusual accidents and even mysterious deaths. In some cases, sinister voices have whispered threats over the telephone and warned certain researchers to terminate specific projects they were focused on."

Recently, an increasing number of civilian UFOlogists have been visited by ominous strangers who have made it physically clear that their orders to discontinue all investigations would be enforced. Official disclaimers have only served to intensify the mystery of the bizarre incidents currently seeding chaos within the rank of civilian UFO investigators and instilling fear among those who witness flying saucer activity.

FEMALE UFO RESEARCHER MOLESTED BY INVISIBLE BEINGS LINKED TO APPEARANCE OF DREADED MIB

New Zealand's John Stuart discusses accounts so extreme as to include the physical molestation of a female researcher living half way around the world. Stuart details the horrific sexual abuse of his fellow researcher/girlfriend at the hands of a being who could become invisible at will. Was it demonic or extraterrestrial in origin? Like Gray Barker, the original publisher of the UFO Warning portion of this volume, we also find aspects of this manuscript very disturbing. It is a work that might be unpleasant at times to read. But these "dangerous aspects" of the UFO riddle cannot be overlooked. For we are NOT censors...

THE CASES ARE MANY! THE TRUTH FRIGHTENING!

Featured on the History Channel's UFO Hunters and on Coast to Coast AM, eminent investigator Tim Beckley details dozens of additional bone chilling encounters with the MIB who have become a curse on the rank and file members of the UFO community.

++ Shadowy "Grim Reaper" like figures stalk the streets of a north Iowa town. What are they concealing in the bags they go about hiding in the woods?

++ Radio Talk Show host is ordered by metallic voice over phone (unlisted number!) to "meet them on the Mount". . .known as a haunted place and the site of a number of mysterious deaths and disappearances.

++ A large floating platform the size of 3 football fields hovers near a nuclear power plant. Witnesses observe several small bald headed aliens accompanied by 9 foot giants. Trying to leave the area, their car refuses to start. They are surrounded by military personnel and their vehicle is ransacked. They are told never to speak of the incident OR ELSE!

++ In the cemetery where Charles Fort is buried ominous black vehicles disappear down side roads never to be seen again. They pass by on the gravel pavement going over grates without the sound of tires. The cemetery is also haunted by a big black dog and a couple who fly over the tombstones at dusk in their pajamas!

Are these sinister *sindividuals* simply government agents gone amuck in their harassment of witnesses and investigators who have dedicated their lives delving into the unexplainable? Or are they something far more sinister as evidence in this volume indicates? Perhaps the MIB are representatives of an extraterrestrial "police force," whose job is to keep the gates to a parallel universe closed tightly behind them.

NEW FALL 2010 —BOOK & DVD From The World's Foremost Authority On Ancient Astronauts

**ERICH VON DANIKEN EXPOSES THE TRUTH ABOUT THE MAYAN CALENDAR
AND THE RETURN OF THE EXTRATERRESTRIALS IN**

Twilight Of The Gods

Millions had their thinking changed upon reading the *Chariots of the Gods*, written in 1968 by Erich von Daniken who espoused that earth had been visited by ancient astronauts. Over the years Von Daniken polished his theory and provided an excited audience with many more works. Now he offers us his most daring book in years!

High up in the Bolivian Andes 4,000 meters above sea level lies Pumapunku, an ancient ruined city that simply could never have been constructed by its Stone Age inhabitants. "Something here really stinks to high heaven," writes Erich von Daniken.

"In *Twilight of the Gods*," says von Daniken, "I document precisely what it was that left the first visitors breathless as they stood before the mighty stone blocks some 400 years ago. I will show you what archeologists discovered hundreds of years ago and demonstrate how much has been destroyed over the centuries. Intentionally. 'I will also prove that Pumapunku was not built by any Stone Age people."

"And in December 2012, the gods will return from their long journey and appear again here on Earth. At least that is what the Mayan calendar would have us believe.

"The so-called gods—the extraterrestrials—will come again. We're headed for a 'god shock' of major proportions.

"But doesn't anyone with half a brain know that interstellar travel is simply impossible because of the sheer distances involved? And that extraterrestrials would never look like us?

"Well, dear readers, I destroy these preconceptions. Systematically. One bit at a time."

In his own inimitable way, Erich von Daniken picks these preconceptions and prejudices apart with a clarity no other author could manage.

Erich proclaims that human history is nothing like religions claim. He looks at the Voynich manuscript that has defied attempts at decryption since its discovery and makes some intriguing revelations about the equally incredible Book of Enoch. -

() ODYSSEY OF THE GODS

Von Daniken's exhausting research suggests the Greek 'gods' were in fact extraterrestrials. Archaeological evidence and the writings of the ancients, including Aristotle, prove these gods interbred with humans, performed genetic experiments, and bred 'mythical' creatures, such as centaurs and Cyclops. - **\$13.50 + \$5.00 S/H**
