THE WEIRD WORLD OF CRYSTAL SKULLS AND THEIR UFO CONNECTION

By Sean Casteel

The name Joshua Shapiro has become synonymous with crystal skulls and he is one of the leading experts on what they may ultimately mean. For more than 30 years, he has investigated the mystery surrounding these crystalline carvings, which are human-shaped skulls made out of different types of quartz crystals and other gemstones. Many of the early crystal skulls were initially found in the 1800s in Mexico within or near ancient tombs. Today, however, skulls have been discovered worldwide, including in China, Mongolia, Peru, Australia and throughout Europe.

Shapiro has concentrated a great deal of his efforts on one particular crystal skull which he calls the Blue Skull. In a new book, published by Timothy Green Beckley of Global Communications and titled "*Journeys of the Crystal Skull Explorers, Travelogue Number Two, Search for the Blue Skull in Peru*," Shapiro tells a fascinating story of how some unseen force

seemed to be guiding him to find the Blue Skull, a search that led him to northern Peru and included physical and emotional hardships along the way. Shapiro never actually found the Blue Skull, but his

story aptly illustrates that sometimes the journey itself is the real point, not the destination and what one hoped to find there.

Along the path to writing the new book, Shapiro became a huge fan of the flying saucer contactee George Hunt Williamson. While reading one of Williamson's books, "*Other Tongues, Other Flesh*," Shapiro started to cry when he read about Williamson's "Cosmic Wanderers," who are cosmic "chimney-sweeps" who go from planet to planet, lifting them into the light. Shapiro recognized himself in "*Other Tongues, Other Flesh*," even though it was written in the 1950s and he was reading it in the 1980s.

"It was like this was an explanation about the essence of my soul," Shapiro said.

Shapiro subsequently corresponded by letter with Williamson, who counseled the younger man to be patient and not to push things too fast.

Shapiro also shares the same birthday as the hugely influential contactee George Adamski, April 17th, and thus believes he has a spiritual connection with the elder statesman of the Space Brother interpretation of UFOs.

After his many journeys to South America, Shapiro has come to feel the people of Peru, at least the non-urban ones, are very down to earth.

"If there's a sighting in Peru," Shapiro said, "they don't think anything about it. They just say, 'Wow, that's great. I'm excited to hear that

happened.' If they didn't see it, they feel like they missed it. A lot of people in Peru just accept living in nature and paranormal phenomena that go on. If UFOs show up, if a dimensional door opens and something happens, this is just a part of their ancient traditions and culture. It's really natural for them, versus some more modern countries."

Shapiro has had some near misses with UFO contact himself. While traveling by car to Chicago with a friend, around the time Shapiro was beginning his first book, called "Journeys of an Aquarian Age Networker," he and his friend started to notice that the clouds in the sky were doing strange things and were oddly shaped.

"We were thinking that we were having some contact with UFOs," Shapiro said. "They weren't necessarily following us, but there was some kind of UFO activity going on."

On that same trip, Shapiro and his friend met contactee Daniel Fry in the vicinity of Alamogordo, New Mexico, where the first atomic bomb was tested in 1945. As well as being a UFO contactee, Fry had also been a military officer.

"He told us that one night when he was on duty," Shapiro said, "a UFO landed and he went onboard. It flew him around and took him to different places."

The UFO-related incidents on the trip changed Shapiro's perspective, he said.

"I became very aware of clouds and stars in the sky that are NOT clouds or stars in the sky. They're hiding extraterrestrial craft. The 'clouds' would be the electromagnetic frequency of the craft ionizing the air molecules, which creates the cloud. Then the 'stars' are obviously just the ship shining multicolored lights and moving around in the sky."

Shapiro also heard a story from a friend who had worked for the government who claimed to have seen reptilian aliens change form.

"They looked like humans," Shapiro recounted, "but there for a brief moment he surprised them and they lost their ability to keep their form and he saw them change into reptilians. There's no doubt that we're being visited, and that we have been visited for thousands of years."

Shapiro predicts the day will come when there is open contact between humankind and the extraterrestrials.

"I know this is our destiny," he declared, "and I know that the UFOs are coming here to the Earth to assist in this process because Planet Earth has to evolve into a higher state along with every other planet in this solar system. As far as some of the negative aliens, I think they've already lost. There's nothing they can do to stop humanity from going forward into this higher state. It's ordained by the highest sources that exist, whatever you want to call it, possibly the Highest Creative Soul."

And how does all this talk of UFOs relate to the crystal skulls that are the main focus of Shapiro's work?

"It's hard to imagine," he answered, "that a primitive people could have made some of the skulls that we've found. Modern carvers right now are able to do a very good job. But they use these diamond-tipped tools which didn't exist until the 1970s or 80s. Crystal skulls were being found of a superior form long before that. So one of the possibilities we talk about is that perhaps some of the very old crystal skulls have a connection with extraterrestrials. The question is: could 'gods' have been responsible for bringing the original crystal skulls here as tools to awaken consciousness in humanity?"

Some of the crystal skulls, according to Shapiro, will change internally and display holographic images of spacecraft and extraterrestrials. Unfortunately, no scientists have been willing to work with Shapiro on definitively proving the images are real. A handful of crystal skulls made to appear not exactly human are perhaps another link to ET life.

"Every time you turn around," Shapiro said, "and try to figure out where the crystal skulls are coming from, there's always some kind of lead to UFOs that comes up."

Whether or not the source of the crystal skulls is something extraterrestrial, Shapiro remains optimistic about the future.

"There is definitely a strong desire," Shapiro said, "by these other intelligences, whether they're spirits or extraterrestrials, to make a more direct contact with us. They've been doing it gradually because a lot of people may be afraid of this. It's something that's invisible, that our physical senses can't detect. Something of a miraculous nature is going to happen. And the crystal skulls seem to me to be acting like little mini-energy vortexes activating spiritual gifts, spiritual insights into people they have contact with."

Learn how the "Blue Skull" communicated with the author and called him to come to Peru to discover its history, its amazing powers and its reason for existence as this skull is preparing to assist humankind at this critical point in our spiritual evolution. From 1997-2002 the Author made three journeys to Peru at his own expense, being guided by an inner vision, having no clue what he would find or if he would discover the "Blue Skull." Within this book are his daily journal notes, revealing the secrets to the "Blue Skull" and how it forever changed his life - and how it will change your life as well. Believe it or not, this is a true story as the "Blue Skull" asked that this book be released NOW to prepare the world for the skull's emergence. *** The Blue Skull has a living consciousness of its own and is not just a stone in the shape of a human like skull. *** There is a strong link to the Blue Skull with the ancient civilization of Lemuria. The Blue Skull revealed that before it traveled to Atlantis, it was held in an Lemurian Temple over 100,000 years ago. *** The spirit of a dead king or ruler, the Lord of Sipan, head of a city state of the Moche, appears to the Author to act as his guide and protector. *** Read about the UFO cloud that magically appears when a special mediation with the author's own crystal skull is done in the area where he was called to find the "Blue Skull," in an isolated area high up in the Andes Mountain in Peru near the border with Ecuador.

Published To Sell For \$29.95, we are offering it for a limited time for just **\$20.00 + \$5.00 S/H**. This book is published in a large format edition, and is profusely illustrated.

UMMO AND THE EXTRATERRESTRIAL PAPERS — THE ALIENS ARE AMONG US! THEY WISH TO COMMUNICATE! AND HAVE EVEN CONSTRUCTED CITIES IN REMOTE PLACES WHILE THEY ARE HERE! The story of UMMO starts with a series of letters and phone calls to various Spanish UFO researchers in 1965 that purportedly came from an extraterrestrial race. While the most commonly reported method of ET contact is clearly by telepathy, the aliens in this case tried a more direct, decidedly earthly method of communication. The letters contained highly detailed discourses on such weighty topics as physics and medicine that could only have been written by experts on the cutting edge in those rarified fields that are light years beyond what a lay hoaxer could have come up with. One of the letters also predicted that a UFO sighting would occur on a certain day at a certain location in Spain, and the ship did indeed appear on schedule and at the appointed place. Photos of their ships and unique symbol have been taken as added verification. A similar account has popped up in Canada and is included. MAN, BEAST, GODS OF AGHARTA: DISCOVERING THE MYSTERIOUS LOST KINGDOM OF THE INNER EARTH AND THE HOME OF THE KING OF THE WORLD—Does a secret subterranean paradise exist beneath the earth? Does its vast libraries house the wisdom of ALL AGES? Why is its very existence kept a secret under penalty of death? Contributor Dr Raymond Bernard was the first to popularize the concept of life inside our globe. This book's primarily author Ferdinand Ossendowski (one of the most spellbinding writers we have encountered) experienced compatible findings while trekking the frozen tundra of Russia. Speaking with monks and lamas he was told him about a subterranean "holy land." Millions of Buddhists worldwide accept the reality of Agharta and its benevolent ruler, though some say that it actually exists on the "edge of reality," in a "parallel universe," Hitler once sent a team of anthropologists to Tibet to seek out the kingdom. They hoped to make a pact with the King of the World who would not meet with the outsiders. Some of those who have ventured into this remote territory have never returned. No bodies have been found, leading to speculation that they eventually found the land that has been lost to time. This may be one of the most important books you ever read on the way to spiritual enlightenment. **Order: MAN, BEAST, GODS OF AGHARTA - \$20.00**

OCCULT, WITCHCRAFT AND THE DEVIL'S FEAST IN OLD MOTHER RUSSIA

Those interested in the works of Madame Blavatsky, Nicholas Roerich, and T. Lobsang Rampa will find this greatly expanded updated work to be a most rewarding venture into a frozen land of mystery and intrigue which has just started to thaw. The atheistic government of Russia did not want to be associated with these throwbacks occultists, they saw as practicing primitive paganism. Sorcerers were thought of as being older people who possessed the secret science of curing men and animals of diseases, of appeasing demons whenever they waxed into a great fury, of staunching blood, freeing insect-infested dwellings of vermin, de-haunting houses, tracking horse thieves, invoking the souls of the dead, foretelling the future and discovering hidden underground treasures. The Wizards, Witches, Shamans, and Hags were performing what seemed like "miracles," and so noted Polish-born scientist Ferdinand Ossendowski activist and explorer, who had gained a reputation as a believer in reincarnation and cloistered underground cities like Agharta, went on a quest throughout Mother Russia to ascertain the truth about all matters supernatural and mysticism.

TWILIGHT: HIDDEN CHAMBERS BENEATH THE EARTH—"There are," says T. Lobsang Rampa, "certain places in the Earth where it is possible for the Initiate to travel down into the center of the Earth and meet representatives of that inner civilization, and among quite a number of people there is a definite knowledge that people from the inner world do come out to converse with those of the surface. Then there are the tunnels from Tibet to the inner world and tunnels from Brazil to the inner world...and one tunnel beneath the greater Pyramids." In addition to a belief in the Inner Earth reality, Rampa explores UFOs, Astral Projection, the Laws of Karma, Hypnotism and tells readers how to cope with modern day life. FLYING SAUCERS IN THE HOLY BIBLE

For the first time
a minister, a univer-
sity professor, a Bib-
lical scholar and an

Emmy Award winning TV journalist provide evidence that the Bible should be re-examined in light of our current knowledge of space travel and UFO related phenomenon, offering a number of startling conclusions:

** The Tower of Babel was a spaceport presided over by a godless scientist.

** God once walked the Earth in physical form.

** The Star of Bethlehem in all probability was a flying saucer ushering in His arrival.

** That the parting of the Red Sea was a miracle performed by extraterrestrials who had befriended the Israelites and "levitated" them from across the waters.

** That a giant spacecraft could possibly have landed upon Mount Sinai and given Moses the Ten Commandments.

FLYING SAUCERS IN THE HOLY BIBLE contains the life long work of the late Rev. Virginia Brasington who was scorned when she originally released her findings in the 1960's through Gray Barker's private press.

Far from a book that "preaches," this collection has been carefully gathered by our own Timothy Beckley to enhance the reader's understanding of the role UFOs play in the Bible, as well as current religious thought. It includes interviews with abductees such as Whitley Streiber, Betty Andreasson and Linda Cortile, during which they candidly discuss their experiences from a "religious" perspective.

Great mystics throughout the ages, as well as prophets of the Old and New Testaments, tell us that the universe comes from some unknown source and is winding its way towards some unknown end, and that its true nature can only be described by means of symbols. These symbols are thoughts set forth in pictorial forms which come from the creator of the Unknowable. It mirrors both the light and darkness without which nothing could exist. This work strives to explain the secret wisdom of the cosmos which includes understanding the meaning of moral and spiritual equilibrium, which demands a balancing of all that exists in our lives.

THE ETERNAL LIGHT The Emerald Tablet of Hermes Trismegistus: The Precepts of Hermes, engraved upon the Emerald Tablet

1. Speak not fictitious things, but that which is certain and true. 2. What is below is like that which is above, and what is above is like that which is below, to accomplish the miracles of one thing. 3. And as all things were produced by the one word of one Being, so all things were produced from this one thing by adaptation. 4. Its father is the sun, its mother the moon; the wind carried it in its belly, its nurse is the earth. 5. It is the father of perfection throughout the world. 6. The power is vigorous if it be changed into earth. 7. Separate the earth from the fire, the subtle from the gross, acting prudently and with judgment. 8. Ascend with the greatest sagacity from the earth to heaven, and then again, descend to the earth, and unite together the powers of things superior and things inferior. Thus will you obtain the glory of the whole world, and obscurity will fly far away from you. operation of the sun is completed.

MARIA D'ANDREA PRESENTS

MYTHICAL, MAGICKAL BEASTS AND BEINGS

They Are All Around Us. Whether We Can See Them Or Not! From Our "Unordinary" Pets to Interdimensional Beings, Ancient Gods and Goddesses, Elementals, Dragons, Mermaids—and Yes, *Even Vampires!*

Come explore the supernatural side of man's best – and worst – "friends" as related in the strangest stories involving beasts of all sorts – seen and unseen. And uppermost learn how to get them to assist in our lives in a positive way.

HERE IS PROOF OF A PSYCHIC – OCCULT – PARANORMAL CONNECTION BETWEEN HUMANS AND EVERY MANNER OF BEAST AND BEING...FOR INDEED THERE ARE AS MANY ANIMAL PHANTOMS AS THERE ARE HUMAN SPECTERS!

Master Psychic and Spiritual Teacher, Maria D' Andrea tells us that, "Mythological and magical creatures have been with us in mythological stories, in religions, as well as in art forms. Dating back to the cave drawings, we can see pictographs of beasts, aliens and amazing figures. Heroes, Gods, Goddesses, objects and customs (some form the basis of our civilization)."

The author of *Heaven Sent Money Spells* and TV host states further, "These stories can give us hope, expectancy, lessons, teachings, intrigue and motivation. They let us know there are things out there that we can connect to, which help make our lives easier, help us to improve our lives and work with the elemental kingdoms, spiritual planes of exist-

ence and the unseen inter-dimensional beings that have been with us for centuries."

In her latest work, *MYTHICAL, MAGICKAL BEASTS AND BEINGS*, Maria notes that some of these beings come from our deepest imagination, our visions, from psychic "seeing." These beings are thought forms we create with the power of our minds, and they can be beneficial as well. We can, in essence, call upon them from within the deepness of our souls when "the time is right."

MAGICKAL BEINGS INCLUDES:

** Mermaids Of The Deep. ** Dragons. ** Elves And Manos Of The Ancients. ** Crystal Beings. ** Undines. ** Astral Beings.

In addition, natural intuitive **Penny Melios** reveals the true nature of the Elemental Kingdom and the best times to approach for communications purposes and for assistance when needed the most.

Not to be outdone, **Sean Casteel** says that some animals even have the gift of speech, and that according to the Bible, a talking donkey caused a wicked man to repent, while in the 1930's England a talking Mongoose moved in with a farm family and became a terrifying member of the household.

Charles Fort, a British researcher and collector of "nature's oddities," dug up hundreds of cases in which it literally rained a multitude of species from the sky. With no explanation of course!

Elliott O' Donnell recognizes the fact that some "animals" operate in the great unseen. There are, he reports, countless incidents in which phantom horses have been heard and seen, and even wild animals have put in "physical" appearances even though they might not have been there to begin with.

This work of NON FICTION will enthrall and thrill. If you enjoy the works of *Ripley's Believe It Or Not* and are able to open your minds to incredible possibilities...

SURVEY THE HEIGHTS AND DEPTHS OF MYSTERIOUS MOUNT SHASTA AS YOU READ THE BOOK THAT ALTERED SHIRLEY MACLAINE'S LIFE AND CHARTED THE SPIRITUAL PATHS OF THOUSANDS OF DEVOTED BELIEVERS OVER THE COURSE OF A CENTURY

"DWELLER ON TWO PLANETS" BY PHYLOS REMAINS AT THE HEART OF THE NEW AGE MOVEMENT

Now read our **UPDATED NEW EDITION** – Edited And Grammatically Revised For Easier Comprehension For The Modern Reader By Sean Casteel With New Material Added By Nick Redfern, Timothy Green Beckley And Paul Dale Roberts

The original **DWELLER ON TWO PLANETS** is said to be one of the most important texts of the 19th Century. For over a hundred years it has been passed around among those seeking the true Spiritual Path to life. Many have said it has impacted them greatly. Actress Shirley MacLaine had little interest in the occult when she was browsing in a Hong Kong bookstore only to have this work literally fall into her hands. It led to many changes in her life and a metaphysical best seller of her own, *Out On A Limb*.

Young author/channel Frederick S. Oliver spins a tale so compelling and so spiritually uplifting that it is doubtful that it was written by him alone as a human being. The reader will immediately see that such a wealth of detail about Atlantis and the spiritual reality could not be conjured from the imagination of an eighteen year old while working as a simple fence mender for his father who raised cattle near their home along the base of the mysterious and legendary Mount Shasta in Northern California.

Oliver foreshadows much of what would come after him, like the feminist movement of the 20th Century, the coming of UFOs with their external multicolored revolving lights and the interiors of the craft lit by some unseen light source, details verified repeatedly by modern day alien abductees and UFO contactees. In fact, many of the illustrations in this book of cigar-shaped craft look remarkably like the ships said to have been photographed by George Adamski and others decades later. Oliver, while in the channeling state, held in the thrall of an Atlantian and ancient Tibetan soul, also predicts television and cell phones in a time that predated even rudimentary radio.

Says Sean Casteel, who updated this major work into modern grammar and phraseology:

"The moral dynamics of the story will hold you spellbound, as the sins of one man's incarnation in Atlantis are repaid in his life as a gold miner in the American West. The story of the latter's initiation into a deeply secret gathering of spiritual adepts and how it leads to adventures in other dimensions will open your eyes to mysteries you never knew existed. . . This book is truly a message from the other side, and contains within it countless solutions to the many enigmas we contemplate today, and will restore your faith in the coming of a New Age promised land."

In addition to the "modernized text" you will join researchers Nick Redfern, Tim Beckley and Paul David Roberts as they reveal the many mystical secrets of Mount Shasta, widely regarded as a transformational vortex. Learn of inner earth entrances, the man who lives forever, the existence of Bigfoot on Mount Shasta, and ghost stories that will thrill you.

The book is fully illustrated and graphically designed by "Adman" William Kern. Printed in large format, it will captivate and entice the reader and provoke much thought.

King Solomon is said to have been one of the wisest men who ever lived! He is best known as the builder of the Magical Temple of Solomon and the protector of the Ark of the Covenant. He is also said to be among the richest men who ever lived. What is not generally taught by Biblical scholars is that Solomon was given supernatural powers by God because

the Lord realized that Solomon possessed great wisdom.

Many serious students of the spiritual realms prefer not to simply read about the mystic arts, but would like to practice rituals and incantations of their own.

Now YOU can participate in a pact with the Universe that is centuries old. Not only do you receive the 44 Seals you may utilize to contact the Goetia (a species of spirits who are reputed to have been conjured by the great King Solomon), but this kit also contains a rare reprint of the 1517 Edition of the *Grimorium Verum* or TRUE GRIMOIRE, otherwise known as the Most Approved Keys of Solomon the Hebrew Rabbi: "Wherein immediately exhibited are his most hidden secrets, both natural and supernatural."
